Authorized Dealer and Certified VIQUA Installers

## VIQUA ULTRAVIOLET STERILIZERS

### Sterilization of:

Coliform Bacteria including E.coli

The well water must meet the manufacturers water quality guidelines.

*(Water Quality Parameters: Hardness <7 GPG, Manganese < 50 ug/L or < 0.05 mg/L, Iron < 300 ug/L or <0.30 mg/L, Turbidity <1 NTU, Color 15 TCU, UV Transmittance <75%).*

### Benefits:

*Quality Matters* - VIQUA UV systems will help keep you and your family safe from waterborne contaminants, bacteria and microorganisms.

99.99% Effective to Sterilize Bacteria, Viruses and Parasites.

Chemical-Free

Peace of mind for you and your family.

### Maintenance:

Inspect the quartz sleeve and change the UV Lamp every 365 days / 9000 hours + sediment filter every 6-12 months or earlier if there is a drop in water pressure. The quartz sleeve should be replaced every 2 years.

### Warranty:

10-Year warranty on UV stainless steel chamber against leakage due to manufacturing defect

3-Year warranty on UV system controllers warranted against manufacturing defect.

1-Year Parts & Labour Warranty.

### NOTES:
