Clack Mixed Bed Tannin Water Softener

Reduction of:

Iron, Hardness, Manganese, Lead, Tannin
Organics and Colour by approximately 80%.

Features

State of the Art Control Valve
Battery Backup Feature

Benefits of Soft Water:

Save 50% on soaps and shampoos
Smoother skin and softer hair
Softer clothes and linens last longer
Sparkling glasses and dishware
Save up to 20% on hot water heating
Longer lasting water appliances

Maintenance

Water Softeners use water softening pellets to regenerate. The amount of salt depends on your water chemistry and usage. This system will reduce the pH level.

These systems require a resin cleaning solution called Pro-ResCare.

Annual servicing is essential to ensure the longevity of the system performance and to maintain the warranty.

Warranty

Our systems are backed by a 5-Year Manufacturers Warranty on the Control Valve, 10-Year Warranty on the Filter Vessel and Salt Tank. 1-Year Parts & Labour Warranty.

NOTES:
